Direct Appeal

Govt. Is Asked To End Beer Restrictions

OTTAWA, March 18.—(CP)—A direct appeal to the government to rescind the order restricting beer sales was made in the house of commons last night by John Turner (Lib., St. Catharines).

He declared his belief that the intention of the prohibitionists was to attain total prohibition in Canada and that repeal of the beer restriction would be one move toward achieving that objective.

Mr. Turner said he was familiar with the subject because he was a hotelkeeper in Winnipeg and had been associated with the beer business for 36 years.

There was the poor man's drink and its greatest consumers made up the people who were the backbone of Canada. To deprive them of their beer was the negation of rights for which men were fighting overseas.

When he approached the beer question, Mr. Turner said it was something he had hoped never to have to discuss in the house of commons.

"I thought this was all settled years ago so far as any action by the government was concerned," he said. He is the first to discuss the dominion government's liquor curtailment regulations in any detail since the debate opened.

He suggested that the beer be Continued on Page 2, Col. 7

Subway Disaster Found Accidental

LONDON, March 18.—(CP)—A coroner's jury returned a verdict of accidental death today in a subway sheller disaster during an air raid at March 3 when 173 persons were killed.

The coroner testified that a government inquiry had uncovered nothing to suggest a stampede or panic for anything of the kind.

Women and children piled up on the stairs of a subway entrance. Witnesses said the women were apparently rescued when a woman carrying her child stumbled and fell.

Urge Direct Routes To Alaska Highway

REGINA, March 19.—(CP)—Direct routes from principal cities of the prairie provinces and the United States to the Alaska highway were proposed in a resolution introduced in the federal government by the United States-Canada Alaska Highway Association. J. Alex MacKenzie, president, announced yesterday.

Specific direct routes proposed in the resolution were from Regina Falls via Lethbridge and Calgary to Edmonton; from Edmonton via Saskatoon to Regina; from Winnipeg via Brandon to Regina; from Winnipeg via Regina to Edmonton; from Regina via Saskatoon to Edmonton.

Support of the resolution in the United States will be advocated by the association vice-president, H. H. Halvorsen, Minn., N.D.

Trades Unions of Dominion Protest Beer Restrictions

OTTAWA, March 18.—(CP)—The Trades and Labor Congress of Canada, and today in a number of trades unions affiliated with the Congress have urged the government to end the stringency of restrictions on beer sales.

Mr. Gwynne recalled that several weeks ago in its annual sub-committee to the government, the congress expressed its opinion about the beer restrictions were too rigid.

Crash Kills Seven

BETHLEHEM, March 18.—(AP)—Seven United States Army fliers were killed, military authorities announced yesterday, in the crash of a four-engine bomber from the Ninth Air Force near Wehrmacht lines. The crash occurred seven miles south of here.

LONDON, March 19.—

British submarines have destroyed four large Axis supply ships in the Mediterranean, the admiralty announced today.

A special admiralty communiqué announcing the successes in the campaign against the Axis supply lines between the continent and North Africa said the submarines also had destroyed a naval auxiliary vessel and another smaller supply ship.

Two British submarines were credited with the new sinkings, the first a steady stream of victories in the campaign against Axis vessels trying to supply the German and Italian armies in Tunisia.

Two big supply ships were torpedoed, a smaller one sunk with an escort of two destroyers. A tanker and two other big ships were damaged so badly it had to be run ashore.

When he approached the beer question, Mr. Turner said it was something he had hoped never to have to discuss in the house of commons.

"I thought this was all settled years ago so far as any action by the government was concerned," he said. He is the first to discuss the dominion government's liquor curtailment regulations in any detail since the debate opened.

Study Problems

6 Conferences Being Planned

WASHINGTON, March 18.—(AP)—President Roosevelt disclosed today that perhaps six United Nations conferences might be held to consider various phases of post-war problems.

Plans are under way for a conference on food production and distribution for all the populations of the world after the war.

In addition, the president told the world that a conference on the future of the world after the war will be a meeting on post-war reconstruction.

Beyond that, he said, there might be two or three or four other conferences in the fields of economics and finance.

Meanwhile, a plea by Anthony Eden, prime minister of Great Britain, Russia and China would meet their war-time unity into the framework for a lasting peace encouraged congressional advocates of collective security to new efforts.

NO VENUE GIVEN

Mr. Roosevelt gave no indication as to where the conferences would be held, but he indicated that invitations have gone out to the United Nations for a good party.

He said he hoped it will not be the Washington, D.C., conference that Gen. Augustus Nogues, governor of French Morocco, had sent a telegram to Gen. Henri Giraud, commander in chief of the French empire, to announce his arrival Sunday on the future of France and the union of the French empire and the United States.

Gen. Nogues, featured in some quarters as having favored the French Vichy regime, was quoted as saying:

"All inquiries have been made as to whether or not the United States will support the French empire, and the answer is 'Yes'."

Score Many Hits Yanks Attack U-Boat Yards

By EDWARD D. BALL

LONDON, March 12.—(AP)—A strong force of United States heavy bombers poured explosives on a U-boat construction centre near Bremen in northwestern Germany yesterday and destroyed or damaged many of the 75 to 100 Nazi fighters which beat against them almost continuously throughout the 800-mile round trip. Two of the bombers failed to return, a communique said.

Allies to Reveal More Details of U-Boat Warfare

WASHINGTON, March 12.—(AP)—The Allied high command has decided to give the public more information on the fight against the Nazi U-boats, it was reported yesterday.

The modification as applied to the British admiralty and the United States navy department is understood to have resulted from conferences held here among British, Canadian and American officers.

Many Hits Scored

The United States navy department said that the U-boats were "principally engaged in the building and repair of submarines."

R.A.P. Ventura's bomber targets at Malsau in the Rotterdam area of Holland during the day and all returned.

Many hits scored on the U-boats, it was said. "Many hits were obtained on the U-boats during the day and all returned."

"It's a medal for bravery—he kissed the bride at his sergeant's wedding!"

French Guiana Swings Over to General Giraud

By H. O. THOMPSON

French Guiana, a French overseas territory, has swung over to the General Giraud, according to a communique issued by the French government in Paris.

The communique stated that the French Guianese people have decided to support General Giraud, who is the leader of the Free French forces in North Africa.

The decision was made after a referendum held in French Guiana, in which the people voted overwhelmingly in favor of General Giraud.

The communique also stated that the French Guianese people have decided to support the Free French forces in their fight against the Axis powers.

The decision was a significant one, as it showed the loyalty of the French Guianese people to the Free French cause.

The communique also stated that the French Guianese people have decided to support the Free French forces in their fight against the Axis powers.

Flood Names Submitted for Alaska Highway

By LYNN CROST

WASHINGTON, March 12.—(AP)—The name "Alcan" for the new Alaska-Canada highway, proposed by the federal government, was submitted for consideration by the public.

The name "Alcan" was submitted by the Alaska Highway Commission, which is the body responsible for the highway's construction.

The commission also submitted other names, including "Alaska Highway" and "Alaska-Canada Highway."

The names were submitted for public comment, and the commission will select the final name based on the feedback received.

The commission also submitted other names, including "Alaska Highway" and "Alaska-Canada Highway."

Canadian Help In Vital Areas Greatest of All

Continued from Page One

United States naval, military and air power will be immense, and Japan is prosecuted with vigor and determination and her resources are being drained.

The Canadian help in vital areas is the greatest of all, and it is the responsibility of the Canadian government to ensure that this help is given in the most effective manner possible.

Crown Company Is Established To Assist U.S.

OTTAWA, March 12.—(CP)—Munitions Minister Howe announced last night that by agreement with United States authorities, a Crown company has been incorporated, with head office in Ottawa, to assist the United States in purchasing requirements for the requirements obtainable in Canada.

The company will be named the Crown Munitions Corporation, and it will be responsible for the purchase of munitions and other military supplies from Canada for the United States Army and its contractors engaged in building the Alaska highway and associated undertakings.

Would Eliminate Canadian Farmers From Income Tax

OTTAWA, March 12.—(CP)—J. Ward L. Daugherty said in the House of Commons last night the Canadian farmer should be eliminated entirely from operation of the income tax.

The average income of farmers between 1930 and 1931 was just \$200, he said. "The suggestion I make to the minister of finance (Hon. J. L. Flaxley) is that in view of the fact the farmer is the largest income taxpayer in Canada, and that he should be eliminated entirely from the operation of the income tax."

In what is supposed to be the best of these 16 names, Daugherty said the farmer paid only \$200.00 in tax, or a matter of a few cents each, compared to the \$100.00 paid by the average wage earner.

Daugherty said the farmer paid only \$200.00 in tax, or a matter of a few cents each, compared to the \$100.00 paid by the average wage earner.

Strong Pitching Staff

Dodgers May Be Dangerous As Veterans Immune to Draft

By LEO H. PETERSON

NEW YORK, March 19.—(AP)—This may be the year that age and experience pay off because of the inroads the draft and defense work have made among younger players. If it is, the Brooklyn Dodgers should do all right.

Giants' First Base Problem Not Settled

LAKEWOOD, N.J., March 19.—(AP)—The tip-off on how times have changed in baseball is the way New York Giants are stalling along in spring training without a first baseman.

Manager Mel Ott acknowledged yesterday he is just marking time awaiting till Johnny Mize reports for his physical examination for induction next week before he makes a move about filling what looks as the biggest void in his lineup.

Ott's first reaction to the probability that Mize will be lost to the team was to assign Outfielder Herbert Huber Barna to the initial sack. But it has taken only two outdoor workouts here to convince him that Barna is not a big league first baseman.

"He just doesn't seem to fit in there," Ott explained today. "He's played the outfield so long he can't get back into the swing of the infield."

The Giants, of course, are not the only club having difficulty filling first base. The New York Yankees don't know yet whether they have Nick Etten, Manager Joe McCarthy has Jacky John Lindell, the hard-bitting pitcher, working with a first baseman glove, and the Cleveland Indians are attempting to transform reserve catcher Otto Drenning into a first baseman to replace Les Fleming, who has decided to remain in war work.

Second Win Over Wilson

Jackie Callura Retains Featherweight Boxing Crown

BOSTON, March 19.—(CP)—Jackie Callura's bull-like rushes, which generally ended in a lusty two-fisted body barrage, enabled him to gain a split 15-round decision over Pittsburgh Jackie Wilson Thursday and retain the National Boxing Association's version of the world featherweight title. Callura weighed 125 1/2, Wilson 125 1/2.

Tie in Men's Teams

New Tournament Leaders Ladies' Singles, Aggregate

ONLY two new leaders were named as a result of Thursday's draws in the annual 51-pin tournament which has been in progress all week at the Recreation alleys. Mrs. Ivy Rennie retained the ladies' singles score to 820 and Mrs. Winnie Rutherford moved to the top of the list for ladies' aggregate with a total of 2,275.

In the men's team event, the Superiors composed of Presty Gifford, George Coward, Eddie Beattie, Lloyd Frith and Walt Ramsey, led the previous high of 3,478 made by Imperials.

Several of the Calgary contingent swung into action last night, but Tom Bruce's 603 in the men's singles was the best effort for the visiting leaders. Others are in tonight's draws, with the remainder due to commence tomorrow.

Mrs. Rennie's score of 820 which gave her the leadership in ladies' singles was made up of 225, 218 and 315, a total of 758 pins. Her handi-cap is 64.

The Superiors' losing string of 180 for the men's teams consisted of 1,302, 1,003 plus handicap of 32 for a total of 2,635.

It was Mrs. Rutherford's singles of 710 which gave her the lead in ladies' aggregate. Her score was 225, 230, 282, and her handi-cap is 32. Her score in the doubles for 720 and she completed a total of \$20 in the team event.

High single rolled by the men last night was Joseph 821, while Howard and Harvey headed the list for men's doubles with 1,552.

Fleming and Frith continued for 1,445 in the men's doubles and the Wilson-Waring duo turned in 1,320 for high ladies' doubles.

Lead Ladies tied 2,185 for the best in mixed teams.

Chicago Coach

Fined, Suspended

MONTREAL, March 19.—(CP)—Paul Thompson, coach of the Chicago Black Hawks, yesterday was given an indefinite suspension and fined \$100 as a result of his part in arguments with referees at New York Sunday when the Hawks were beaten 7-5 by Rangers in a regular National Hockey League fixture.

The suspension and fine were announced by Marvin "Red" Dutton, acting president of the N.H.L. Thompson's actions were reported in N.H.L. headquarters here by Referee Norm Lamport.

Arguments started after a disputed call on a penalty shot. Thompson was suspended for one game and after a minor penalty was handed out to Jimmy Gethner, Hawk winger.

Two Hills Forms Red Cross Group

Red Cross Group

TWO HILLS.—A recent meeting of the students and pupils of the Two Hills school a Junior Red Cross Society was reorganized. This will be the third year in which such a society will function in the Two Hills school. Officers elected were Bill Orfick, president; Rose Ruk, secretary; Mary Toupchuk as treasurer; and Steve Mikus as circulating manager. A drive for members is at present under way.

The Two Hills Board of Trade has been reorganized. A Young has been elected president; Peter Hrynuk, vice-president; and Mr. R. H. Dowhank has been elected secretary-treasurer. At a recent meeting of the board a new Victory Loan Committee was organized with A. Young as president; P. Hrynuk, as vice-president; J. Kulnask as organizer; and S. Petuk as secretary. Guest speaker at the meeting was A. Fraser of Vegreville. Mr. Fraser is organizer of Victory Loan units.

To commemorate the birthday of one of the greatest Ukrainian poets, Taras Shevchenko, the Ukrainian Lovers Association of Two Hills presented a concert at the Recreation Hall on Sunday. An address was delivered by Michael Pouch.

Mr. Pouch told the audience of the part Ukrainians are playing in this war. "Ukrainians brought with them what they know and what they can do to Canada and they are helping to give Canada a 'finer' culture and are helping to make Canada be remembered as a nation, though mixed with many races and nationalities, has made unbelievable advances in all fields," said Mr. Pouch. The concert was a whole was one of the most successful ever staged in Two Hills.

Andrew Planning Carnival April 10

Carnival April 10

ANDREW.—The Community Welfare Association is going to hold a carnival in aid of the Red Cross on April 10 and 14.

A show sponsored by the National Ministry of Information was held in Andrew last Tuesday night. It was well attended by people from out of town.

The Student Union has planned for an amateur night to be held on April 16.

Miss A. Ambrose, who has been a teacher in the junior room of the Andrew school for the past four years, has been granted a leave of absence. She has joined the W.R.N.S. At present the vacancy created in the staff has not yet been filled.

Vermilion Valley Council Meets

Municipal Council Meets

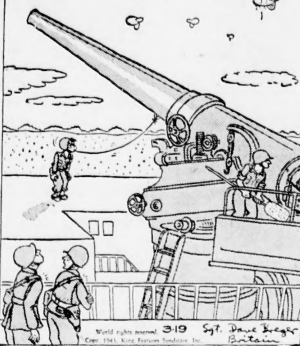

VERMILION.—The first meeting of the year on Monday and Tuesday.

Norman McMillan was re-elected Reeve and D. McPhee Deputy Reeve.

Estimates for the year were passed and tax rates set at the same mill rate as in 1942.

Operations in the Vermilion field have been suspended for some months now with little prospect of being renewed in the near future. Spectator and Dorman are leaving the field and going to Jasper to drill some prospecting wells for the Dutch Shell Co.

To 1929 more than 40 per cent of the students from British universities were aided by public grants and scholarships.

"We're just firing one shot for the record to pull his sore tooth!"

Lacombe Horse Sale Continues

Sale Continues

LACOMBE.—Selling was continuing Thursday morning in Lacombe's 1943 annual horse sale—a sale which many prominent buyers and sellers considered to be the best in many years. Better prices for well-bred horses were the rule during the first two days of selling on Tuesday and Wednesday with a record for the last decade being set when Alex Peor of Pickering, Ont., purchased a splendid team of Belgian mares entered by J. M. Douglas and Sons of Lacombe for \$480. This price exceeded by \$20 all previous records for high-priced teams. Good prices continued on Wednesday when P. L. Frazell of Lacombe received \$30 for a team of outstanding bay mares which were purchased by Theo Hackley of New Brunswick. The mares were at Penchance breeding. Don Plummer of Bentley went into the big money class when Alex Peor of Pickering, Ont., was the high bidder of his team on strawberry roans—a mare and a gelding—which went for \$305. High single horse was entered by the Dominion Experimental Farm at Lacombe. It was a roan spotted Clyde mare and was sold to Alex Peor for \$180.

Other good sales took place when A. W. Pethbridge of Tees received \$70 for a team of grey geldings. James A. Fife of Chigwick received \$125 for a bay mare and Bertha Hanson of Lacombe sold a good pair of black mares for \$235.

Wednesday's selling saw 283 horses pass through the sales rack for \$22,522.50, and as 238 horses had changed hands on the first day for \$20,641, this brought the totals for the ten days to 541 horses for \$42,377.50.

SCHOOL FOR TAPPEES

ACCRA, West Africa.—CP.—In view of the enlarging rubber interests in the Congo and along the Gold Coast, in Allied control, a school for rubber tappers and processors of the British and French Gold Coast has been started at Konomu.

Official List Of Casualties

R.C.A.F.

OTTAWA, March 19.—(CP)—The R.C.A.F. in its 326th casualty list of the war reported one man killed on active service overseas.

Four men previously missing on active service overseas were listed as now reported prisoner of war; two previously reported missing on active service overseas were listed as now for official purposes presumed dead; and one man was listed as dangerously ill overseas.

One man was reported dangerously injured on active service in Canada.

Following is the latest list of casualties with official numbers and next of kin:

OVERSEAS

KILLED ON ACTIVE SERVICE

William, Robert John, PO 70706, A. O. Heister (mother), Toronto.

PREVIOUSLY MISSING ON ACTIVE SERVICE, NOW REPORTED PRISONER OF WAR

Marcel, Jack Edward, PO 847, RTO, Mrs. J. E. Marcell (mother), 365 West St. W., North York, Ont.

Sorenson, Donald Dennis, PO 841, RTO, Mrs. D. S. Sorenson (mother), 1000 St. Paul St., Winnipeg, Man.

Robert, Frederick Arthur, PO 841, RTO, Mrs. F. A. Robert (wife), North York, Ont.

PREVIOUSLY REPORTED MISSING ON ACTIVE SERVICE, NOW OFFICIAL PRISONER OF WAR

Gusky, Stephen George, PO 26426, Zoultz, Lester (father), 1000 St. Paul St., Winnipeg, Man.

Eden Hopeful For Unity To Ensure Peace

By JACK BELL

WASHINGTON, March 19.—(AP)—Congressional leaders heard from Anthony Eden, Great Britain's foreign secretary, an expression of hope yesterday that the complete harmony he said the four great Allied powers have attained in prosecution of the war would be carried over afterward to effect a lasting world peace.

Invited to a luncheon and a round-table discussion with members of the senate and house of representatives foreign relations committee, Eden was reported to have told the group that while it might be well to lay out the rough framework now for post-war collaboration, the details ought to be filled in only as experience and development indicated their worth.

DETAILS INOPPORTUNE

Several of the senators and congressmen said he left the impression that he believed this was not the opportune time to talk of boundaries or the settlement of problems daily shifting in their complexion.

Chairman Connally told reporters at a press conference after the two-hour session ended that Eden had reported the United States, Great Britain, Russia and China are in complete agreement on prosecution of the war and had "expressed the hope that the great powers would be in agreement on what should happen after the war."

From other committee members came this summarized version of Eden's talk behind closed doors made informally from notes, and his answers to questions.

"The four great powers, the British people are determined to fight this war through to the finish in the Pacific as well as in Europe. Britons are not forgetting, he said, their obligations to Australia, New Zealand and Canada."

The Germans had made three major mistakes which overbalanced any commitment thus far by the Axis. First, they failed to invade Britain after Dunkerque, second, in attacking Russia and not the Middle East in search of oil, and third, in attacking the U.S. after the attack on the United States at Pearl Harbor.

NAZIS WEAKENING

Eden said he was satisfied that Germany was deteriorating within Germany. British bombings are having a telling effect, that the Nazi supply line to the east and that German plane production is falling far behind that of the Allies at Pearl Harbor.

The British diplomat realized, he said, that there is some criticism in the United States of the British way of doing things, which was recognized by British critics of American methods. Nevertheless, he insisted the two peoples are united in their viewpoint of their joint warfare, if not in sentiment.

Kuhn, 10 Bundists Are Deprived Of U.S. Citizenship

NEW YORK, March 19.—(AP)—Fritz Kuhn, former national leader of the German-American Bund, and 10 of his associates were deprived of their U.S. citizenship yesterday, in a decision by Federal Judge John Bright.

Nine other bundists also on trial in naturalization proceedings, which began last Jan. 5, were permitted to retain their franchise law. As a result of Judge Bright's decision, those of the 13 who still are at liberty face internment proceedings as enemy aliens. A further report, a spokesman for the Federal Bureau of Investigation said, that all active bundists in the United States face possible denial of naturalization and subsequent internment as dangerous enemy enemy aliens.

No More Permits For Farm Workers When Spring Ends

OTTAWA, March 19.—(CP)—Some farm workers who have received permits to engage in other than agricultural work may be permitted to remain in such work during the spring of 1943 but, in general, no permits for such work will be issued beyond the spring, F. D. Shaw, N.D. Red Cross, was told in a return mailed yesterday in the House of Commons.

The return said that under certain circumstances farmers can engage in other employment without permits and that there is no way of finding how many who having permits are working in war factories.

Rectal Soreness And PILE TORTURE QUICKLY RELIEVED

If you are troubled with itching piles or rectal soreness, or even hemorrhoids, you can get relief by using the famous "Mrs. Miniver Rose" ointment. It is the only ointment that has been proven to be effective in relieving all these troubles. It is the only ointment that has been proven to be effective in relieving all these troubles. It is the only ointment that has been proven to be effective in relieving all these troubles.

From Oct. 31, 1942 to March 4, 1943, permits to engage in non-agricultural work were issued to 71,071 persons—69,242 males, and 1,829 females.

If you are troubled with itching piles or rectal soreness, or even hemorrhoids, you can get relief by using the famous "Mrs. Miniver Rose" ointment. See Difficulties If Given Red Cross

Trade Minister MacKinnon said in the House of Commons yesterday that to allow western farmers to give wheat to the Red Cross in excess of deliverable quotas might lead to a difficult situation in transportation and storage.

Answering an inquiry by John G. Diefenbaker (Prog. Con. Lake Centre), Mr. MacKinnon said some system, allowing deliveries in excess of the quota to the Red Cross or similar organizations had been considered.

In light of existing transportation and storage difficulties, the more generous were the contributions of farmers to organizations like the Red Cross, if special concessions were made for deliveries beyond quotas, the more serious the situation would become.

Answering an inquiry by John G. Diefenbaker (Prog. Con. Lake Centre), Mr. MacKinnon said some system, allowing deliveries in excess of the quota to the Red Cross or similar organizations had been considered.

To Investigate Wage Rates in Woolen Mills

Wages paid by the Golden Fleece Woolen Mills, whose plant in southern Alberta will be investigated, Hon. C. Manning, minister of trade and industry, told the legislature Thursday afternoon.

The question of wages paid by the Woolen Mills was raised by J. Mahaffy, K.C., independent member, Calgary, who read part of a letter from a plant employee, whose name he did not divulge.

CLAIM LOW RATES
The letter, sent from Macrair, on February 18, said skilled men employed at the plant were being paid at the rate of 20 cents per hour. It claimed the proper wage rate was 40 cents, plus a cost of living bonus of 60 cents per week.

The writer said a petition asking for an increase in wage rates had been forwarded to the minister of labor at Ottawa, and he referred him to the regional labor board of Alberta. The latter board, the letter continued, referred the question to the industrial relations board and there the matter was dropped.

Employing 35 men and 13 women, the letter said the women were paid 25 cents per hour, making army blankets.

"If these statements are correct," Mr. Mahaffy said, "I would like to have a statement from the government in this matter."

The government should set an example for other employers of the province, Mr. Mahaffy observed.

The information is current, then the government is not doing the right thing by employees of this province," he said, adding the letter threw light on an abuse.

Replying, Mr. Manning said it was impossible to give definite information on the basis of state, which was made by the plant owner, he pointed out, and all the facts of the case were not before the board. He said before a proper decision could be reached, the facts should be ascertained.

The plant, Mr. Manning continued, can be operating as an incorporated company, and it is the responsibility of the board to inquire into the matter. He said the legislature had anything to do with it. The wages of the employees were being paid out of earnings of the operation, he said, just as in any other private enterprise.

MINIMUM RATES
The minimum wage rate in Alberta was 20 1/2 cents per hour, Mr. Manning pointed out. The 40-cent rate referred to in the letter was for certain workers who were paid an hourly rate, not on a weekly or monthly rate.

He promised to look into the question, stating no one was more than satisfied that the board was working in correcting any abuses brought to attention.

Mr. Manning said he knew the 20-cent rate was not the highest rate in the province.

George MacLachlan, Independent, Pembina, asked whether the results of the investigation, as promised by Mr. Manning, would be made known to the legislature before the estimates were completed.

This was not possible, the minister said, pointing out the plant was 600 miles away.

Mr. MacLachlan suggested the information be given to the legislature by Mr. Manning, when the estimates were completed.

A \$150,000 loan for advertising and promotion was granted by Mr. Mahaffy, when the \$40,000 Appropriation for the publicity and bureau came under discussion. The \$150,000 amount is listed under "Promotion of Alberta Industries," the Independent said.

The leader asked if this sum was expended in any way by the treasury branches.

CONNECTED IN PART
Mr. Manning replied he was in part. Explaining further, he said part of the sum was spent for the marketing board, which later was displayed advertising at the Edmonton and Calgary exhibitions.

Continuing, the minister said a special warrant for \$5,000 had been authorized for demonstration in the two cities.

The number of new industries which had been started in the province by the government was asked by J. J. Bowler, Liberal, Calgary.

Mr. Manning said there were 101 factories during this question, making it impossible to determine to what extent the government had influenced the industry, tries in starting in Alberta. However, it was a fact that the government had given all possible encouragement to industries wishing to establish or expand in the province, he told the house.

"The industrial progress of Alberta in the last few years has been nothing to be ashamed of," Mr. Manning asserted. If, however, direct efforts had not aided provincial legislation, financial aid could not have been given to the extent of a different picture would have resulted.

NO DISCRIMINATION
There was no discrimination against industries in Alberta, regardless of whether they were aided with the government or not, Mr. Manning told Pembina. Independent, Pembina, in answer to a question.

The minister said budget advertising had been reduced from \$300,000 to \$100,000 in this year's estimate.

Reconstruction Bill Gets First Reading
First reading was given to the legislature Thursday by a bill to be forwarded to a public reconstruction commission. The bill makes a survey of the economic conditions in Alberta, in preparation

Legion Urges Welfare Bureau To Govt. Clerks For Veterans

Establishment of a veterans' welfare bureau to deal with grievances of veterans and their dependents in Edmonton was urged in a resolution passed at a meeting of Edmonton Branch No. 24 of the Canadian Legion B.E. S.L. in the Memorial Hall, Thursday.

The resolution was presented by Mr. W. Williams, president of the branch, and seconded by Mr. J. J. Bowler, vice-president. The resolution was adopted by a vote of 10 to 2.

Mr. Williams said the situation in the welfare bureau was such that the veterans' welfare bureau was not doing its job. He said the veterans' welfare bureau was not doing its job.

Resolution Passed Legislature Asks Ottawa To Classify Agriculture Essential War Industry

The Dominion government will be asked to declare agriculture a war industry, according to the terms of a resolution passed by the Alberta legislature Thursday. The resolution further asks that "farm commodities be established by the federal government on a par with the products of other war industries," and that pending the establishment of these party prices, the Ottawa government should exempt farmers from paying the three-cent federal gasoline tax.

The resolution passed by only one dissenting vote, Frank Laht, Independent, Banff-Calgary, who said never before farmers been asked to pay taxes, and they should be given to pay this three-cent tax, as a war tax.

N. E. Cook, Social Credit, Olds, introduced the motion, seconded by J. J. Bowler, Liberal, Calgary. It says, Social Credit, Calgary, told the place of one brought into the house by C. A. Reynolds, Independent Social Credit, Olds, and seconded by D. J. McKinnon, Independent, Calgary. Mr. Reynolds motion asked the Dominion government to immediately abolish the three-cent tax.

MOTION AMENDED
The resolution was amended by E. M. Brown, Independent, Didsbury, to ask abolition also of the three-cent tax on gasoline used for agricultural purposes. Mr. Brown's amendment was defeated by a vote of 10 to 2.

The three-cent tax was discriminatory, Mr. Reynolds said, in that it was not levied on other war industries. He said it was an inequitable tax, as well, he said, because it was paid by some farmers, those who were in the war.

At one time \$1,000 would be saved by the farmers of the province, Mr. Reynolds said, if the tax was lifted. He felt this was a large sum to expect the farmers to pay.

EXPLAINS DIFFERENCES
The Legislature of the Dominion and provincial governments was made by Mr. E. C. Manning, provincial secretary, who said there was no exception made for gasoline used for agricultural purposes.

Mr. Manning said the Dominion tax on gasoline was three cents per gallon, on all gasoline. The provincial tax was one cent per gallon, on all gasoline. There was no exception made for gasoline used for agricultural purposes.

Mr. Manning said the Dominion tax on gasoline was three cents per gallon, on all gasoline. The provincial tax was one cent per gallon, on all gasoline. There was no exception made for gasoline used for agricultural purposes.

Bond Coupons To Be Honored By Government

The treasury department will not invoke the Statute of Limitations to hold up interest payments but will rather honor interest coupons whenever they are turned in for payment, Hon. J. J. Bowler, Liberal, Calgary, told the legislature Thursday afternoon.

A sinking fund worth \$1,000,000 has been built up, Mr. Bowler stated, in reply to a question by Hugh Macdonald, K.C., Liberal, Edmonton.

Macdonald on the interest payments arose during passing of estimates totaling \$2,878,304, for the province during the 1942-43 fiscal year on account of public debt of the province.

\$6,000,000 RESERVE
Replying to another question by Mr. Macdonald, the provincial treasurer said the coupon interest account kept in the bank by the province was \$6,000,000. He said the province was not in a position to pay interest on the bonds of the province, as the province was not in a position to pay interest on the bonds of the province.

Mr. Bowler said the province was not in a position to pay interest on the bonds of the province, as the province was not in a position to pay interest on the bonds of the province.

Mr. Bowler said the province was not in a position to pay interest on the bonds of the province, as the province was not in a position to pay interest on the bonds of the province.

Mr. Bowler said the province was not in a position to pay interest on the bonds of the province, as the province was not in a position to pay interest on the bonds of the province.

Accused Rushed So Cadi Holds Special Session

Thomas Gully had a special session with Magistrate A. I. Miller, K.C., on Thursday afternoon charged with causing a disturbance, the accused didn't turn up in police court, when he was called that morning. When he did arrive, he was in a hurry, he said, as he was going out of town. Magistrate Miller obliged, fined the accused \$10, and the case was adjourned for 14 days. The fine was paid.

ARUNTA ON WARPATH
MELBOURNE.—(CP)—Named after one of the most virile of the Central Australian tribes, the Australian-born Arunta, a native of Arunta, is now on the warpath.

Arunta is now on the warpath, the accused didn't turn up in police court, when he was called that morning. When he did arrive, he was in a hurry, he said, as he was going out of town. Magistrate Miller obliged, fined the accused \$10, and the case was adjourned for 14 days. The fine was paid.
